TRAINING & PLACEMENTS

The Training & Placement Cell plays a vital role in creating the distinguished placements. The Training & Placement Cell at Alphores Women's Degree & PG College provides personal and career oriented support to its students. Our college has a full-fledged professional Placement team to look after Placement activities. Our Placement Cell functions 24X7 support base with a responsibility to organize and support placement activities.

     The College offers an extensive training called STAR (Standard Training for All Recruitments), an innovative and novel process. This outstanding programme is efficiently organized every year and more than 500 hours of training sessions are structured. The STAR programme includes Soft Skills, Quantitative Aptitude, Verbal Ability, Logical Reasoning, General Studies, Competitive and Communicative English, General Knowledge and Current Affairs.

     This programme enables students to become proactive in defining their placements in reputed MNCs like IBM, TCS, Infosys, Wipro and in State & National level prestigious Government exams like Groups, SSC, Banking, CGL and others. Our College has registered with the TASK (Telangana Academy for Skills and Knowledge), the prestigious organization established by the Telangana Government. In association with the TASK, we facilitate our students by training the Life Skills and employability Skills to enhance the employability quotient. By availig the opportunities of STAR and TASK, our exemplary students could successfully accomplish 200+ placements for the academic year 2021-22. The effectiveness of the training is the evidence from this consistent and remarkable placement record in Telangana for the aforementioned period.

THE AIM IS TO GEAR UP THE STUDENTS TO ENHANCE THEIR SKILLS WHICH HELP THEM IN ACHIEVING THEIR DREAM CAREER.

COMPETITIVE EXAMS DOMAIN

Competitive Exams enhance the skill of understanding the application of concepts. Our STAR programme lays a sound platform to quench the thirst of the competitive aspirants. In parallel with the academics, we impart well-organized guidance to get placed through UPSC, TSPSC, SSC, IBPS, CAT, MAT, ICET, CPGET and other exams with which the students' long-term dreams are fulfilled.

CO CURRICULAR REALM

With a single point agenda of the overall development of the students, experimental and experiential learning in its training process is being initiated. To provide a real time experience, the Industrial Visits, Guest lectures, Internships, Workshops, Webinars, Food Festivals, Science Exhibition and Special Invitee Lectures are organized for all the groups by eminent personalities. Besides, to boost the students' morale, Educational Trips, Campus Debates, Group Discussions, Quiz Competitions and Communication Skills Enhancement Programmes are frequently monitored under the guidance of veterans.

EXTRACURRICULAR ARENA

To develop the students' social skills and to learn to work in a team to achieve a shared goal, the extracurricular activities play an exceptional role. Our college has been standing unique in motivating students to participate in Cultural & Traditional fests, Social Awareness programmes, Flash Mobs, Youth Fests, NSS and Sports. All these activities are significant in exploring different areas of interest, increase self-confidence, build leadership skills and even improve grades.

HOSTEL

A Home away from home, the Hostel is located within the College campus and provides a safe, secure and nurturing environment for the students. The Facilities include airy and spacious rooms with dining and study halls to enable stressfree and comfortable learning for the students with 24 Hours security.
